PETITION FOR LEAVE TO AMEND

He's Alive Incorporated ("He's Alive"), by its attorneys, pursuant to Sections 73.3514(b) and 73.3522(b) of the Commission's rules, hereby files a Petition for Leave to Amend its application. In support of its petition, the following is submitted:

In its Hearing Designation Order, DA92-726, released June 22, 1992, the Commission directed He's Alive and the other applicant in this proceeding, Carnegie-Mellon Student Government Corporation, to amend their applications to address the matter of how they would protect whoever is on their respective towers from RF radiation exposure. Pursuant to the

Commission's directive, He's Alive seeks to amend its application to include that information.¹

Since this amendment is filed pursuant to Commission directive, good cause is evident.

Accordingly, He's Alive requests that the Commission accept the attached amendment.

Respectfully submitted,

HE'S ALIVE INCORPORATED

AMENDMENT

Please amend the application of He's Alive, Inc., to include
the following:

Date: July 20, 1992

Dewayne Johnson, President
HE'S ALIVE, INC.

The FCC's Hearing Designation Order in this proceeding states that He's Alive, Inc., did not address the matter of how it would protect workers on its tower from RF radiation exposure. The Commission should be aware that He's Alive will reduce transmitter power or cease operations as necessary to assure worker safety with respect to radio-frequency radiation when construction or maintenance is being performed.
